Our Second Slide

Attention! (\leftarrow this is the alert text colour)

Some maths notation:

$$p_t = \mathbb{E}_t(m_{t+1}x_{t+1})$$

Let's type up a regression: (clearly an endogenous setup!)

$$\text{Finance} = \beta_0 + \beta_1 \text{Asset Pricing} + \beta_2 \text{Corporate Finance} + \varepsilon$$
